Update Your Look with the **Sckarf**™

Since her interests in art are diverse, Cheryl has created one-of-a-kind wearable art in the form of silk scarves and handkerchiefs. "The **Sckarf**™: the wrap that makes any outfit complete" comes in many sizes and shapes, and may be worn in various ways. It can be worn around the neck, the head, on hats, with a coat, as a belt, and many other novel ways as an accessory. Her many designs can be found on the [Silk Scarves](#) page.
